Shri Dattatreya is a very ancient incarnation, highly venerated through the ages. Dattatreya – a Universal Guru manifested in the recess of time of 'Kaliyug', when humanity had gone far from its pristine state and steeped into threshold of a time when all kinds of vices had already taken root, and the pious souls made fervent appeal for the salvage of the mankind surging forward in manifold way. He had descended on this earth to establish 'Satya' (the Universal Truth), 'Rta' (the Cosmic Order), Dharma', (the perennial principles), in all its entirety.

"Datta" means not only "that which is given", but also as the ideal of "giving" without desire for reward, i.e. selfless giving. The whole life of Dattatreya shows us that this "giving" selflessly is the true renunciation/sacrifice. The significance of this sacrifice is stated in the Dattatreya Upanishad where the Lord says, "Not by action, not by progeny, nor even by self, but by as true sacrifice.
